What is the ZaTech Wiki?

The **ZaTech Community Wiki** (wiki.zatech.co.za) is your go-to knowledge base for everything ZaTech. Find:

- FAQs and answers to common questions
 - Channel guides and descriptions
 - Community guidelines and rules
 - How-to guides and tutorials
 - Blog posts and community updates
-

Quick Start: Find What You Need in 3 Steps

Step 1: Access the Wiki

Direct URL: <https://wiki.zatech.co.za>

Or from the website:

1. Visit **zatech.co.za**
2. Click "**Wiki**" in the navigation menu

Or from Slack:

- Look for wiki links in channel descriptions
- Ask: "Where is the wiki?"

Step 2: Navigate or Search

Option A: Browse by Category (Sidebar)

FAQs

- How to Invite Users
- Channel List
- Getting Started

Channels

- General Channel Guide
- Technical Channels
- Social Channels

Blog

- Monthly Updates
- Community Stories

Option B: Use Search (Fastest)

1. Click the search box at the top
2. Type your question or keyword
3. Results appear instantly
4. Click a result to open that page

Step 3: Read and Apply

- Scan the headings to find your section
 - Use the table of contents (right side) to jump to sections
 - Follow step-by-step instructions
 - Check "See Also" links for related content
-

Reading Wiki Pages

Page Structure

Every page has:

Breadcrumbs (top):

Home > FAQs > How to Invite Users

Click any part to navigate back.

Table of Contents (right side):

On This Page:

- Overview
- Step-by-Step Guide
- Common Issues
- See Also

Click headings to jump to sections.

Related Pages (bottom):

See Also:

- How to Search Slack Messages
- Channel Etiquette Guide
- Getting Help in Slack

Contributing to the Wiki

Who Can Contribute?

All ZaTech members! You can:

- Report errors or outdated information
- Suggest new topics
- Write new content
- Update existing pages
- Improve formatting

How to Suggest Changes

Via GitHub (For tech-savvy users)

1. Make changes in GitHub web editor
2. Submit pull request with description
3. Wait for review and approval

Writing Guidelines

When writing content:

Do:

- Use clear, simple language
- Write step-by-step instructions
- Include examples
- Break long paragraphs into shorter ones
- Use headings to organize

Don't:

- Use jargon without explanation
 - Write overly long sentences
 - Include personal opinions
 - Share private information
-

Using the Wiki on Mobile

Mobile Features:

- Touch-optimized navigation
- Responsive layout (adapts to your screen)
- Fast loading on mobile data
- No zooming required

Navigation on Mobile:

1. Tap  icon to open sidebar
2. Browse sections and tap to expand
3. Tap page title to open
4. Tap  to close sidebar

Search on Mobile:

1. Tap search icon
2. Type your query
3. View full-screen results
4. Tap result to open page

Tip: Use portrait mode for best reading experience.

Frequently Asked Questions

Q: Do I need to be a ZaTech member to read the wiki?

A: No! The wiki is publicly accessible. Anyone can read it.

Q: Can I share wiki pages with non-members?

A: Yes! Share links freely with colleagues, friends, or anyone who might find it useful.

Q: How often is the wiki updated?

A: Continuously! Community members and the tech team update it regularly:

- Major updates: Monthly
 - Minor updates: Weekly
 - Bug fixes: As needed
-

Q: What if I find outdated information?

A: Report it in **#tech-team**:

Outdated Content

Page: [URL]

Issue: [What's outdated]

Correction: [Suggested fix]

Q: Can I request new content?

A: Absolutely! Post in **#tech-team**:

Content Request

Topic: How to use Slack threads effectively

Why: Many new members ask about this

Suggested sections:

- When to use threads
 - How to start a thread
 - Thread etiquette
-

Q: Why isn't search working?

A: Try these steps:

1. Refresh the page (Ctrl+R or Cmd+R)
 2. Clear browser cache
 3. Disable browser extensions (ad blockers)
 4. Try another browser
 5. Report in **#tech-team** if issue persists
-

Q: How long does it take for my contribution to be published?

A: Timeline:

- Simple edits: 1-3 days
- New pages: 3-7 days
- Complex changes: 1-2 weeks

Depends on review availability.

Accessibility Features

Keyboard Navigation:

- `/` - Focus search box
- `Tab` - Navigate to next element
- `Shift + Tab` - Navigate back
- `Enter` - Open link
- `Esc` - Close menu/search

Screen Reader Support:

- Compatible with JAWS, NVDA, VoiceOver, TalkBack
- Semantic HTML structure
- Alt text for all images
- Descriptive headings

Visual Accessibility:

- High contrast text (7:1 ratio)
- Scales with browser zoom (up to 200%)
- Large, readable fonts

Browser Zoom:

- Zoom in: `Ctrl +` or `Cmd +`
 - Zoom out: `Ctrl -` or `Cmd -`
 - Reset: `Ctrl 0` or `Cmd 0`
-

Getting Help

For wiki issues:

- Post in Slack **#ask-the-admins**
- GitHub: **github.com/zatech/zatech-wiki/issues**

For content questions:

- Ask in relevant Slack channel (topic-specific)
- Post in **#help** (general questions)
- Link to the page and quote the section

Example help request:

I'm reading this wiki page about inviting users:

wiki.zatech.co.za/faqs/invite-users

The section about "admin-only invites" is confusing.

Can someone explain when invites are admin-only?

Summary

In 3 steps:

1. Visit **wiki.zatech.co.za**
2. Search or browse for your topic
3. Read, learn, and apply!

Key features:

- Instant search across all content
- Organized by categories (FAQs, Channels, Blog)
- Mobile-friendly and accessible
- Community-contributed content

How to contribute:

- Report errors in **#tech-team**
- Suggest new topics
- Write content (post in **#wiki-contributors**)

Need help?

- Search the wiki first
- Ask in Slack **#help**
- Post specific questions in **#tech-team**

Welcome to the ZaTech Wiki!

Your one-stop resource for everything ZaTech. Happy reading, and don't hesitate to contribute!
